

WE ESTABLISH THE LAW

Antidisestablishmentarianism. The longest word in the English language has to do with being against disestablishing the church as the state church. We do believe in the separation of state and church, but only in the sense that no one church denomination is to be the state church. We do not, however, believe in the separation of God's law from the state. We believe in establishing the law as part of the legal establishment.

ACT 26:20 "but declared first to those in Damascus and in Jerusalem, and throughout all the region of Judea, and then to the Gentiles, that they should repent, turn to God, and do works befitting repentance."

19 "Whoever therefore breaks one of the least of these commandments, and teaches men so, shall be called least in the kingdom of heaven; but whoever does and teaches them, he shall be called great in the kingdom of heaven.

20 "For I say to you, that unless your righteousness exceeds the righteousness of the scribes and Pharisees, you will by no means enter the kingdom of heaven.

The law of Moses is the law of God. This law was the basis for the laws of the early United States. It is to be established as the law for all nations. We are not talking about the letter of it, but the spirit of it. The principles of God's law are to be applied and established as the law of each and every nation. This goodness of God will lead all men towards repentance because the law is our schoolmaster to bring us to Christ. Yes. You can legislate righteousness. The law cannot save us, but its function is to bring us to the one who can save us. Without the knowledge of sin, we would not come to Christ. This knowledge comes only by means of the law.
